The Presidents Message....

As I share my thoughts as your new President I ask myself is this a new era, or am I continuing long traditions that have brought us this far. I think it is some of both.

I think each President brings new ideas to incorporate into what has been done by good leadership in the past.

I am enthusiastic about our future and want to motivate EVERY member in some way. We want to be helpful in a measured way. So bring your ideas about how we can follow each new member to make sure he or she gets the follow-up necessary to assure we accelerate his learning curve so that new members don't get discouraged.

Bring any other ideas you have about improving our club.

Call me if you need anything.

President

Tuckessee Woodturners

December 5, 2016 Club Meeting Minutes

The December Tuckessee Woodturners club meeting was called to order by President Jon Haigh at 7:00 pm on Monday December 5 at the FOP Lodge 2576 North Ford Street in Clarksville TN.

The next Turn-In is being rescheduled for December 17th from 9:00 am until noon at the FOP Lodge on Ford Street in Clarksville. Instructors will be present to help both new and experienced turners turn better. There is no cost.

The December club meeting is the yearly business meeting. Following discussion, Jon Holloway moved that the club donate \$300.00 to the Fraternal Order of Polpice and \$100.00 to the Salvation Army pending verification with the FOP. The motion was seconded by Jesse Foster and passed. Jon Holloway will check with the FOP and let President Jon know whether to proceed with the FOP donation next week, the week of December 12th.

Members were reminded that membership fees are due January 1st. In order to be eligible for the Tennessee Association of Woodturners symposium registration to be given away later in this meeting, dues must be paid before the drawing is held. Dues are \$20.00 per year.

It has become tradition for the past couple of years that the club celebrate Christmas with pizza and soda at the December meeting. The pizza arrived and was enjoyed.

Treasurer Bruce Hensley announced that the bank balance is \$1,583.36 plus \$80.00 in dues from tonight.

Steve Sabinash announced he has a hollowing tool for sale at ½ the price he paid.

Steve explained the new AAW Explorer Program to the club and suggested members take a look at it.

President Jon announced he has an 8" 180 grit CBN Wheel for sale, the price is \$80.00.

Charles Wall showed club business cards which Jim Mason has purchased for the club. The cards contain information on the club including where meetings are held. These cards will be available at club sales and other events to assist with recruiting.

The December meeting is Jon Haigh's last meeting as President. Nomination to fill the President vacancy were requested. Jim Mason placed Steve Sabinash's name in nomination. Tom Pressler seconded the motion and Steve was elected by acclimation. Steve's election creates a vacancy at Vice President.

Jim Mason nominated Eddie Davidson to fill the Vice President position. This nomination was seconded by Jon Holloway and he was elected by acclamation.

Jim Mason suggested the club might want to elect a Board of Directors to deal with club business instead of having to get the entire club together for business decisions. The club worked on a set of bylaws that defined officers and rules of operation when it was started but these bylaws were never finalized. Following discussion, it was decided that we should send the original bylaws draft to the club members by email for review. Additional discussion can be held at the next meeting with the intent of voting on the bylaws at a future club meeting.

Drawings were held for five \$10.00 gift certificates from Craft Supply.

Each meeting, members bring in projects they have been working on and show them during "Show & Tell". Items displayed this month included:

Steve Sabinash -	Large Bradford Pear Bowl. Walnut Bowl. Walnut Burl Slice.
Mike Patrick -	Vase with Burned Decoration made using High Voltage. Two Maple Ornament Finished with Red Dye. Small Ornament with Wood Burned Decoration. Basket Weave Ornament.

Prior to adjourning, President Jon was applauded for his service as President.

The meeting was adjourned at 7:51 P.M.
