## **August Program.....**

Mike Hillenbrand from the Nashville Club (TAW) will demonstrate. The program he will present was done for the Nashville Club after he returned from an educational trip furnished by the TAW.

I was there and can attest to the fact he did an excellent job and was very humorous.

Don't miss this one.

## **The July Program...**

A video, 'Turning for Fun and Profit' by Nick Cook from the Atlanta area was shown. He demonstrated at this years' AAW Symposium recently. In this video we saw how he uses many different tools proficiently. We learned how to make useful items that can be fun to make.

Everyone seemed to enjoy the video.

### **July 6, 2016 Club Meeting**

The July club meeting was called to order by President Jon Haigh at 7:00 pm on Monday July 11, 2016 at the FOP Lodge 2576 North Ford Street in Clarksville TN.

There were no visitors present.

President Jon announced we will sell turned craft at the Clarksville Market Place on July 23<sup>rd</sup>. Bob Forsythe will be in charge of sales that day. Our two sales dates for August are the 6<sup>th</sup> and 20<sup>th</sup>. On September 24<sup>th</sup>, we will have a booth at the Clarksville Frolic on Franklin event. If you wish to participate, let President Jon know.

Thanks to those who have brought handmade items for the club to sell at events where we participate. If you have not brought something recently, please do so. Not only is this a major source of revenue for the club, it is also a way to show the public what we do.

Treasurer Bruce Hensley was not there to provide a treasurer report. President Jon reported he has \$93.00 to add from the Market Place sales last month and will need to pay \$50.00 for the Frolic on Franklin registration.

The Roxy Theatre is seeking donated items for the silent auction they hold in conjunction with Frolic on Franklin. If you are interested in donating something, please contact President Jon for more information.

Eddie Davidson announced he brought a large box of cucumbers for anyone who would like some. They are free. He also said a group from the Dickson club will be meeting at his home Friday morning to go visit the fellow who makes and sharpens blades. If you would like to go, let Eddie know.

Charles Wall had copies of the 2016 Club Directory for members who did not receive their copy last meeting.

Steve Sabinash told us he has some good programs lined up. In several cases, the club will need to pay the demonstrators expenses at the conclusion of those demonstrations. President Jon said that if Bruce Hensley is not present at those meetings to write checks, he will make arrangements to pay.

Next month, our demonstrator will be Mike Hildebrand, expect an entertaining presentation.

Each meeting, members bring in projects they have been working on and show them during "Show & Tell". Items displayed this month included:

Jim Mason -	Sugar Maple Hollow Form. Red Maple Bowl. Three pieces from the same log he had cut in different ways to show how the wood grain would line up in each case. A Sanding Kit he bought at the AAW conference in Atlanta.
Clarence Lancaster -	An Australian Egg Collection he bought at the silent auction at AAW conference.

Jim Mason, Clarence Lancaster, and Eddie Davidson attended the AAW conference in Atlanta. They reported there were lots of demonstrations, lots of vendors with items for sale, and lots to see.

Our program was a video by Nick Cook demonstrating how to create eight items that are fun to make and easy to sell: garden dibble, snowman ornament, baby rattle, spinning tops, tea light, lidded box, goblet with captured ring, and bowl.

The meeting was adjourned at 8:45 P.M.

Secretary
