President's Message

Hello fellow woodturners,

It's November already and the last craft show of the season will be the 12th and 13th of this month at the Wilma Rudolph Center. I need to know at this meeting, exactly who will be participating, as we only have one booth.

Also, as usual we can use more donations to sell.

Don't forget that dues are due at this time and only paid members will be eligible for the symposium drawing at Decembers' meeting.

Looks like we have a good program this month, so see y'all there.

Turn safely and see y'all Monday.

Tuckessee Woodturners

October 3, 2016 Club Meeting

The October Tuckessee Woodturners club meeting was called to order by President Jon Haigh at 7:00 pm on Monday October 3, 2016 at the FOP Lodge 2576 North Ford Street in Clarksville TN.

Travis Stroud and Bobby Cathey were introduced as visitors. Bobby is President of the Dickson woodturning club.

The next Turn-In is October 22nd from 9:00 am until noon at the FOP Lodge on Ford Street in Clarksville. Instructors will be present to help both new and experienced turners turn better. There is no cost.

President Jon announced that the last Clarksville Market Place for the year will be this coming Saturday, October 8th.

The club will participate in the Homemade Holidays event at the Wilma Rudolph Pavilion on November 12th and 13th. President Jon advised the club does not have enough merchandise for sale to make the investment in the booth cost worthwhile. Following discussion, the club decided to participate anyway for the exposure and to allow members to sell. President Jon needs to know who wants to participate.

President Jon thanked those who brought items for the club to sell. He reminded us that donations to the club are always needed. Not only is this a major source of revenue for the club, it is also a way to show the public what we do.

Treasurer Bruce Hensley was not present to provide a treasurer report.

Charles Wall reminded members that 2017 club dues will be due January 1, 2017. In order to be eligible for the Tennessee Association of Woodturners symposium registration to be given away at the December meeting, your dues must be paid before the drawing.

Following discussion, the 2017 dues were established at \$20.00 per person. Eleven members paid their 2017 dues at the October meeting.
