

# Tuckessesee Turners

Woodturners from North Central TN and South Central Kentucky

We provide an environment for beginning woodturners to get started with minimal start up cost

June 2017 Newsletter

---

Steve Sabinash, President

*The Presidents Message...*

I hope everyone had a great 4<sup>th</sup> of July with family and friends. I have finally been able to start turning again and realize how much I enjoy it.

We have had great success selling the donated items for the club. I would like to encourage more donations and thank everyone that has donated items.

We continue to have great turn out for the Tuesday Workshop. One area that has great interest is sharpening our tools. I would like to offer all members that are interested bring in their sharpening system and verify and tweak their sharpening methods. One key element is the proper setup and use of the sharpening system. Dull tools are dangerous and make turning work instead of fun. We will raffle coupons for Craft Supply at the meeting.

Thanks for your support,

*Steve Sabinash,*  
President

## *Program for July Meeting.....*

Jim Mason will demonstrate making a patriotic spin top. How each tool is used will be emphasized.

For each turner, especially new turners, one of the biggest obstacles faced is what project do I start. Making a spin top is one of those that is quick, easy, and needs little material and few tools.

Come see how Jim does it.

Please turn SAFELY!!!

## *The June program Program Was presented by....*

Bob Forsythe

Here is the finished product and Bob's Million Dollar smile. Thanks for a good presentation, Bob.

## ***Volunteers needed.....***

We are looking for members who are willing to demonstrate for the club.

No special expertise is required. Just something you feel members should be shown. Let Eddie Davidson know if you are willing to volunteer.

## **Tuckessee Woodturners June 5, 2017 Club Meeting Minutes**

The June 2017 Tuckessee Woodturners Club Meeting was called to order by Vice President Eddie Davidson at 7:00 pm on Monday June 5th at the FOP Lodge 2576 North Ford Street in Clarksville TN.

New member Alex O'Donnell was introduced to the members. Alex lives in Clarksville and has no experience turning but is looking forward to learning.

President Steve is suffering from a bad case of Shingles and was unable to attend the meeting. Two other members were reported as being ill. Terry Ellis fell and Clarence Duzan has been in great pain from a Gall Stone that was not discovered during his earlier tests.

John Haigh announced he has an 18" Husky chain saw and extra chain for sale. He is asking \$240.00.

Following a discussion, it was decided the next meeting will be held on July 10<sup>th</sup> at the regular time and location rather than on July 3<sup>rd</sup>.

It was also announced that Turn-Ins are suspended for the rest of the summer, but the Tuesday night Workshops will continue through the Summer.

Vice President Eddie turned over \$120.00 in club sales from the Downtown Market to Treasurer Bob.

Treasurer Bob reported the club financial balance as follows:

Beginning Balance	\$1,422.88
Downtown Market Space Rental	-\$300.00
Donation to FOP Lodge	-\$300.00
Deposit	+\$80.00
Downtown Market Sales	+\$120.00
	-----
Ending Balance	\$1,022.88

Vice President Eddie announced he has some Bradford Pear in his truck for anyone who wants it and will have more to give away at the next meeting. He also said he is looking for some Kentucky Coffee Tree wood. Let him know if you can help.

Each meeting, members bring in projects they have been working on and show them during "Show & Tell". Items displayed this month included:

Mike Patrick - Square Live Edge Bowl with 3-Sided Walnut Base.

Jim Mason - Set of 4 Cherry & Walnut Canisters.

Ed Gill - 9 Boxes made from Oak & Walnut.  
Walnut Box without a Lid.  
Walnut Bowl.

Bob Forsythe - Cherry Bowl donated to the club.  
FOG Burrell Bowl with Inlays.  
Ash Bowl.

Mike Canfield - Large Maple Bowl.  
Platter with Coloring.

The program was presented by Bob Forsythe showing us how to use Inlace and how he turns Goblets.

Bob showed us how he uses a product named Inlace which he obtains from Craft Supply to repair cracks in a Vase. He also showed us how he quickly makes inexpensive Goblets from Maple or Elm. He typically sells these for \$5.00.

Thanks, Bob for an informative and entertaining demonstration!

The meeting was adjourned at 8:10 pm.
