The Presidents Message...

The club had a good opening day at the Farmers Market. There was a lot of foot traffic and the club sold a few items.

We had quite a bit of interest when we had the lathe making chips. We need to continue to have a turning demonstration at the market to provide a window into turning.

The club had a good turnout for the Tuesday Workshop and Saturday Turn-in. The Saturday Turn-in was the last one for the Summer. We will start them up again September. The Tuesday Workshop will continue for the summer months.

Please turn **SAFELY!!!**

Thanks for your support,

Steve Sabinash,
President
