November program

MONDAY MEETING ACTIVITY

First, we would like to thank Mr. David Stricker of the Dickson County and Smoky Mountain Woodturners for the live demonstration at our October meeting. In continuation of our demonstration, video, and technique (DVT) series, the meeting on Monday, November 5, 2018, will feature a turn-in style meeting. We will have the club lathes out for use after a short business meeting. Please bring your tools, chuck a blank, train a friend/new member, or sharpen a tool. We will have the club CBN wheeled sharpening system up and running for those who need to sharpen their tools rather than skills. This will be an opportunity to discuss what you have learned in our past two sessions. Please bring all your attempts at turning the square edged items (good and bad) or other items to share during our show 'n' tell/discussion.

Please remember, we challenge you to make similar pieces to those demonstrated. At subsequent meetings we ask that you share with the club your turned piece(s), experience(s), and the technique(s) that you may have used or learned. Furthermore, the club would encourage those who have experience in turning these types of pieces to please bring some examples of your work, good or bad, to display Monday night and to offer insight into what you have experienced in regard to the subject. Throughout and at the end of the demonstration you will have an opportunity to have a discussion and question/answer session period to open a dialogue about the night's meeting.

The format of DVT has been developed to inspire you as members and our guests to enhance your knowledge about the hobby of woodturning and to challenge you to create. We hope this method of presentation will spur each one of you to try new techniques, as we explore wood-turning through these sessions. A technique session (format to be determined) will be the feature at the November meeting.

Tuckesseee Woodturners

October 1, 2018 Club Meeting Minutes

The October 2018 Tuckesseee Woodturners Club Meeting was called to order by President Steve Sabinash at 7:00 pm on Monday October 1st, 2018 at the FOP Lodge 2576 North Ford Street in Clarksville TN.

Tracy Hart was present as a visitor.

We are signed up for schedule B at the Clarksville Downtown Market. The last market date for this year is October 13.

The Vintage Fair is coming up on October 6th at Beech Haven Winery. The show hours are 7:00 AM until 5:00 PM.

We did not received information for Frolic on Franklin in time, so our club did not participate this year.

Charles Wall reminded members we are now accepting membership renewals for 2019. Dues are \$20.00 per person for the year. New members who join between October 1st and December 31st will only need to pay the 2019 dues and will automatically be member for the rest of 2018 at no additional charge. A drawing will be held at the December meeting for admission to the Tennessee Association of Woodturners Conference to be held January 25th and 26th in Franklin. To participate in this drawing, you must have paid your 2019 dues before the drawing is held.

President Steve announced that Jon Holloway has donated two CBN Wheels to the club.

Thanks Jon!

Jim Mason announced that Mike Maffitt will be the program at the Tennessee Association of Woodturners meeting in Nashville tomorrow night.

Treasurer, Bob Forsythe, reported that the bank balance is currently \$1,220.26. We will add to that amount the club dues collected at tonight's meeting. There is a \$150.00 payment for Bob to make which will be deducted from the bank balance.

Each meeting, members bring in projects they have been working on and show them during "Show & Tell". Items displayed this month included:

- | | |
|------------------|---|
| Jim Mason - | Sphere shown several months ago which has now dried and warped.
Sphere made from Apple Wood.
Cherry Bowl. |
| Max Harris - | A White Oak Bowl made from a Burl from the same 100-year-old tree as the Bowl he showed last month. |
| Steve Sabinash - | A Big Ash Bowl.
A Persimmon Bowl made from wood Bob Forsythe gave Steve. |

Gene Doyon -

Black Walnut Bowl.

Cherry Bowl.

Jim Mason introduced our program for the night, Dave Stricker.

Dave is a member of the Tennessee Association of Woodturners. He says he has owned a lathe for twenty years and has been serious about woodturning for about ten years. Now that Dave is retired, he has time to have a lot of fun turning! Tonight, he is showing us how he makes a Square Bowl.

Dave stressed safety while turning. He uses the tail stock whenever possible. He advises wearing a safety shield or glasses while turning and keep your tools sharp! He prefers to work with wet wood. The Cherry Limb he used for the demonstration tonight was cut about six weeks earlier. One of the interesting things he showed us was how to repair a crack using a patch called a "Stitch" using a Biscuit Cutter to fit the patch.

Thanks Dave for an interesting and informative presentation!

The meeting was adjourned at 8:30 pm.
