Presidents *Farewell* Message...

During the years I have been a club member and your President I have had a lot of experiences both funny and some not so funny. I remember my first Turn-In which was held in Mike Patrick's big shop. I walked away with a small bowl and a big appetite for turning. I spent the next Monday shopping for a lathe and other essential tools. One of the joys of being a new turner is all the tools you must have.

I have attended a number of seminars and classes over the years and I find that I never fail to learn something from each one. I also know that the only way to improve your skills is just to turn something on a regular basis.

Our club was a regular attendee at the Irish festival in Erin for a number of years and a few years ago we arrived there to do our thing only to find that our location had been moved behind a building with no access to load and unload. Our resulting chat with local officials was useless so we just headed back to Clarksville in our three vehicle convoy never to see Erin again.

There was a time we went to Ashland City for a festival that we thought started at noon. It started at six PM and not much was going on then. Our great benefit from that trip was meeting Max Harris who is an active and valuable member of our club.

One of the more memorable days was when I was towing the trailer home from a weekend event (Irish Festival) in Jackson, TN and the engine blew! We made it home but after no help from the dealer (the truck was out of warranty) it now sports a rebuilt engine.

I have been involved with various projects on the Post. One that I remember was where a woodturning vendor agreed to provide a new lathe to the Post woodworking shop if we could put together a club order for \$1,000. We put together an order for \$1,500 and the Post got their lathe. Good feeling!

It is time now for some new members to take over the reigns and make the club greater and greater. Think about how you can contribute and volunteer.

***Last Market Place...
for this year....***

This year our Market Place events have been plagued by bad weather. Saturday is our last chance for a successful event this year.

Set up time is 7:00 am
Close up time is 1:00 pm

We demonstrate and sell at this even on the square in downtown Clarksville.

Time for new Officers...

The time for new officers is approaching and we are looking for a new Club President and vice President. We hope to convince the current Secretary and Treasurer to continue in office for another term. There are certain requirements to be met as listed below:

- a. Must be an AAW member (Or Join after election)
- b. President: Two years as a Tuckesse member.
Vice president: One year as Tuckesse member.
- c. Have time available to perform the duties.

While we can and will have an election if there are more than one candidate for either office, we prefer to have volunteers for the offices. We estimate on the average each job will require about six to eight hours of time each month dedicated to the club. It takes a lot of work for a club to be successful and our departing President Bob Forsythe and Vice President Clarence Duzan have worked hard to make the club a success.

If you feel you have the time and energy to serve please notify Charlie Putnam by e-mail---Charlesrjoan@Bellsouth.net. All volunteers should be registered by our next regular meeting on October 7th.

Thanks, Charlie

Franklin Street Follies...

The follies event on Franklin Street, Clarksville were a great success for the promoters. It was also a success for The Tuckesse Turners...Not as successful as previous years but still a good event.

We picked a lot of prospective members and or turners and everyone sold a few items. We always draw a crowd as shown below.

The Club needs To replenish its funds....

We take donations. Bring an item you could donate to the club for us to sell. We will put it in a \$5, \$10, and \$15 box, or for larger more valuable items we will mark the price individually. Our club has raised a lot of money over the years this way. So, bring us something to sell if you can spare it. Clarence Duzan has spent many, many hours heading this project. Heck, he even takes cash donations.

*Information...
from the Nashville TAW*

The AAW Board of Directors is extremely excited to announce a new scholarship initiative. In recognition of the invaluable contributions made by our local chapters to our educational mission, twenty-seven scholarships to two of the nation's leading woodturning centers will be provided in 2014 to members of the American Association of Woodturners.

We strongly encourage all chapters to help us promote this important new opportunity for our AAW members.

Under the program, the AAW Endowment Trust Fund (ETF) and the Arrowmont School of Arts and Crafts will make available funds for 14 \$550 scholarships at Arrowmont School of Arts and Crafts. In addition, the ETF, working with John C. Campbell Folk School will award 13 \$594 scholarships.

All together, 27 scholarships will be awarded. In total, \$15,422 in scholarships will be given to AAW members.

In order to apply for the scholarships, nominees must be an AAW members and be nominated by their AAW Chapter. Star Chapters will be allotted two nominations for the first 50 members and an additional nominee for each additional 50 members. Regular chapters will be allotted one nomination for the first 50 AAW members in the chapter. After that, each additional 50 AAW members will allow another nomination. If there are more than 27 nominations, a drawing will determine the winners.

The program is to provide tuition only. Any room and board and travel to the school locations will remain the responsibility of the nominee. John C. Campbell Folk School is located in Brasstown, NC; Arrowmont is in Gatlinburg, TN. All classes will take place in 2014. Chapters must provide the names of nominees, the number of chapter members and the number of AAW members in the chapter to Saint Paul, MN headquarters by November 15, 2013. Within two weeks from that date, the winners will be notified.

We deeply appreciate all you do to support the AAW. Please don't hesitate to contact the AAW office if you would like more information about this new initiative.
