

Tuckessesee Turners

Woodturners from North Central TN and South Central Kentucky

We provide an environment for beginning woodturners to get started with minimal start up cost

June 2018 Newsletter

Presidents Message

I, Editor, am writing Steve's message for him. He is completely overwhelmed with obligations and is frustrated enough to give up as our leader if someone does not step up for the Vice President position.

When Steve told us initially that the only way he would be able to handle the Presidency is with a lot of support from members, we assured him that we would provide that support. And in spite of the huge demands on his time, he has given us much more than a leader is expected to provide.

The way I understand it, the VP's primary responsibilities are scheduling demonstrators for the meetings. You would help the Pres. structure, plan and organize meetings. And you would coordinate with other officers and leaders of the club.

So, please consider volunteering to be our V.Pres. I believe I can safely say that other members will assist you.

See you at the meeting tonight.

Jim Mason

Turn Safely...wear your helmet

July program

Steve has a couple of videos that he will share with members tonight.

June program

Jim Mason showing how he turns a three legged bowl. The bowl will be presented to the club tonight for it to sell as a fundraiser.

Mike Patrick

Sycamore Beverage Vessel

Mike Patrick

Motorcycle Ink Pen

Tim Powers

Three Legged Stool

Tuckessee Woodturners

June 4, 2018 Club Meeting Minutes

The June 2018 Tuckessee Woodturners Club Meeting was called to order by President Steve Sabinash at 7:00 pm on Monday June 4th at the FOP Lodge 2576 North Ford Street in Clarksville TN.

President Steve thanked the club members for helping at Eddie Davidson's funeral. Eddie was an active member and officer of the club who will be greatly missed.

A report was given on the Downtown Farmer's Market held last weekend. Our area is located on the bottom level, first two stalls. We are signed up for schedule B which includes the following dates:

June 16th
June 30th
July 14th
July 28th
August 11th
August 25th
September 15th
September 29th
October 13th

President Steve has received information on the Frolic on Franklin event. He will take care of arrangements to reserve space for us at that event.

Treasurer Bob Forsythe reported the club bank balance is \$1,117.20.

With the loss of Eddie, the club is without a vice-president. President Steve asked that anyone willing to assume those duties for the rest of the year to please contact him.

John Duzan reminded us that the Dickson club is planning a youth wood turning event in conjunction with the YMCA July 12th – 14th. The Dickson club is looking for turning instructors, demonstrators, and general help. A signup sheet was circulated. If you are interested in helping and did not sign up, please contact John. Our club will provide lathes and face shield as needed.

Jim Mason brought in several tool catalogues that were passed out to members who wanted them.

President Steve reminded us the Saturday turn-ins will be suspended for the remainder of the summer. They will start up again in the fall. The Tuesday evening learning sessions will continue to be held through the summer.

Each meeting, members bring in projects they have been working on and show them during "Show & Tell". Items displayed this month included:

- | | |
|-----------------|--|
| Jim Mason - | A live edge Water Maple Bowl. |
| Mike Patrick - | Sycamore Beverage Vessel.
Motorcycle Ink Pen. |
| Mike Canfield - | Two Bowls "In the rough".
Four Crosses finished with Lemon Oil. |
| Tim Powers - | Stool. |

The program was presented by our own Jim Mason who showed us how he makes three leg Bowls and Vases. Jim likes the projects he makes to be a little different from what others are selling. Along this line, he became interested in the Three Leg Bowls. He shared several tips and trick with us. Among the items he demonstrated was a small pneumatic saw he purchased from Harbor Freight.

Thanks Jim for an interesting and informative presentation!

The meeting was adjourned at 8:15 pm.
