December Christmas Party

Tuckessee Woodturners

December 3, 2018 Club Meeting Minutes

The December 2018 Tuckessee Woodturners Club Meeting was called to order by President Steve Sabinash at 7:00 pm on Monday November 3rd, 2018 at the FOP Lodge 2576 North Ford Street in Clarksville TN.

President Steve proposed offering rentals of the clubs' extra lathes. It was suggested a rental fee of \$40 per quarter. The club voted to approve the motion.

First quarter of 2019 will be another 3-month demo sequence. The January 22nd Tuesday Workshop will focus on making tools out of drill rod.

12 people renewed their annual dues for 2019. A raffle was held for a free TAW Symposium registration for those who have paid their dues.

This was our annual Christmas meeting. Drawings were held for those who brought turned items to share among that group. A separate drawing was held for those who brought wood. President Steve also brought quite a few pieces of wood as well and those were raffled off as well as some Craft Supply coupons.

The club then enjoyed pizza, soft drinks, and some deserts.

Afterwards, we had two simultaneous demonstrations provided by fellow turners making Christmas ornaments and sharing some of their techniques. Jack Bastin demonstrated his inside out ornaments and Mike Patrick demonstrated making Snowmen and Christmas Trees.

Thanks, Jack and Mike for sharing your techniques!

The meeting was adjourned at 9:00 pm.

Hello Fellow Turners,

We hope you all had a very Merry Christmas and are having a tremendously great start to 2019. As you are aware our first Monday meeting of the year is upon us, 7 January 2019.

This meeting we will be starting a new DVT series. During the following months, January, February, and March meetings will focus on the basics of woodturning via a series of spindle turning demo(s), videos, and technique practice sessions. We all can benefit from getting down to basics.

As we have several new members, this will afford them the opportunity to learn new skills. We encourage each one of our seasoned members to find a new member and share in your knowledge in coming months.

So, join us for our meeting Monday night and sharpen your skills!!
