July 2, 2018 Club Meeting Minutes

The July 2018 Tuckessee Woodturners Club Meeting was called to order by President Steve Sabinash at 7:07 pm on Monday July 2nd at the FOP Lodge 2576 North Ford Street in Clarksville TN.

President Steve advised John Duzan had indicated he would be willing to serve as the club Vice-President. A motion was made by Max Harris, seconded by Bob Forsythe and passed electing John as the club vice-president. Thanks John!

John was not present at the meeting but sent a message by President Steve reminding the club that the Dickson Club still needs help for the youth woodturning program they will be sponsoring in July.

President Steve reminded us of our participation in the Downtown Farmer's Market. We are signed up for schedule B which includes the following dates:

July 14th
July 28th
August 11th
August 25th
September 15th
September 29th
October 13th

Mike Canfield and Bob Forsythe said they would participate in the July 14th Market.

President Steve also reminded us of the Homemade Holiday which will come up in November. We should receive registration information in August.

Treasurer Bob Forsythe reported the club bank balance is \$1,150.26.

Jim Mason told us that Ben Ferguson has agreed to take over duties as the Newsletter Editor. Jim has done a great job as Editor for many years and wants more time to turn wood. Jim, thanks for a job well done!

Jim Mason brought in wood for club members to take. President Steve says he will be bringing in wood this fall. He has many trees to cut once the weather is a little cooler.

Charlie Putnam reported that an old-time turner, Paul Ferrell had suffered a devastating fire and lost everything. Paul has demonstrated for our club several years ago. He is known as the "Bare Foot Turner". Paul's wife is a Potter. President Steve will contact him and see how we

can best help Paul out. Bob Forsythe made a motion to donate \$100.00 to Paul based on what Steve finds out. The motion was seconded by Jim Mason and passed.

Drawings were held for Craft Supply gift certificates.

Each meeting, members bring in projects they have been working on and show them during "Show & Tell". Items displayed this month included:

Jim Mason - The finished bowl he started during a club demonstration several months ago. He is donating it to the club to sell.
A three-sided Box with Finial on top.
A Bowl & Vase.

Max Harris - Two Natural Edge Cherry Bowls.

Steve Sabinash - A Perfume Mister made from Padauk.
Cherry Bowl.

The program was presented by President Steve who showed a couple of videos from the AAW web site. One was centered on a Double Axis Square Turned Bowl. The second was "Wood Turning Epoxy Bowl" which showed how to make an Epoxy coated Bowl that could be used as a sink.

Thanks Steve for an interesting and informative presentation!

The meeting was adjourned at 8:40 pm.
