Kenneth Chiasson was present as a visitor and signed up as our newest member. Ken has been working with Bob Forsythe for a couple of years.

Several members who attended the Tennessee Association of Woodturners Symposium in January reported it was a good event.

We are signed up for one booth on schedule B of the Clarksville Farmer's Market for 2019. The dates we will be there to sell are listed below:

June 1, 2019	August 10, 2019
June 15, 2019	August 24, 2019
June 22, 2019	
	September 14, 2019
July 13, 2019	September 28, 2019
July 27, 2019	
	October 12, 2019

The Vintage Fair is coming up again on April 27th, 2019 at Beech Haven Winery. A 10ft X 20ft booth will cost \$150.00. Our club plans to participate.

Treasurer, Bob Forsythe, reported that the bank balance is currently \$1,756.26.

Each meeting, members bring in projects they have been working on and show them during "Show & Tell". Items displayed this month included:

Max Harris - Four examples of Ear Ring Holders he made based upon an article from the AAW Magazine. The first was made from scrap wood and turned out fine. The next three were made from good wood and all three broke!

A motion was made by Jim Mason and seconded by Ben Ferguson to clarify a motion passed at the January 2019 club meeting. The original motion approved renting out one of our lathes to a club member. This motion clarifies that the chuck which was with the lathe that was rented should not have been included and should be kept with our other lathes. The motion passed.

A motion was made by Mike Canfield and seconded by Bob Forsythe to purchase additional chucks so there would be one with each of the club lathes we use for demonstrations and Turn-Ins. The motion passed.

Kevin Herndon told members about a Cherry Tree that had fallen during recent wind. If anyone would like to claim the wood, let Kevin know.

Tonight's program was a hands-on workshop for new members to work with other members to gain knowledge and experience.

The meeting was adjourned at 9:00 pm.
