August 2019 NEWSLETTER

Hello Fellow Turners

BY JOHN DUZAN, VICE-PRESIDENT

We hope all of you are having a wonderful Labor Day weekend. We will be having our monthly meeting on schedule, Monday, September 2, 2019 at 7 p.m. at the FOP lodge.

We will be having a turn-in style meeting along with our normal business discussions. We urge you to bring your tools and take Gander Project wood blank and add to the effort to turn the bowls. This will serve as the "technique" portion (DVT) of our next quarter that will focus on bowl turning.

So come on out and join us in making some chips fly off the lathes. See you there.

Meeting Minutes

The August 2019

Tuckessee Woodturners Club Meeting was called to order by President Steve Sabinash at 7:00 pm on Monday August 5th, 2019 at the FOP Lodge 2576, North Ford Street in Clarksville TN.

Steve reported that we will have a lathe operating at the next Farmer's Market. Come participate and bring some items to sell.

We are scheduled to participate on:

August 10, 24

September 14, 28

October 12

President Steve reminded us of the Vintage Fair to be held October 25th at Beechhaven Winery. Our club will be participating. Jon Haigh reported Charles Putnam is at Signature Nursing Home suffering from Dementia and is not ready for visitors yet. Also, Norbert Comtois is having heart problems.

President Steve announced he has a Powermatic Lathe, a 4" Sears Jointer, and a Parks Planer for sale. Anyone interested should contact Steve.

Steve told us the trees being removed from the Gander Memorial site at Fort Campbell are scheduled to be cut on August 12th. We need to turn approximately 250 Bowls from these trees for the family members. President Steve proposed we use the September Turn-In as a workday to make bowls. The club will pay for a cookout lunch. Charles Wall seconded the motion which passed. We will meet at the FOP Lodge on August 24th to cut up the logs so members can take blocks home to begin turning bowls.

A drawing was held with five members receiving Craft Supply gift coupons worth \$10.00 each.

Each meeting, members bring in projects they have been working on and show them during "Show & Tell". Items displayed this month included:

Jim Mason -	Walnut Vase finished with Danish Oil.
