# Meeting Minutes

The November 2019 Tuckessee Woodturners Club Meeting was called to order by President Steve Sabinash at 7:00 pm on Monday November 4th at the FOP Lodge 2576 North Ford Street in Clarksville TN. Present were new members Shelley and Leroy Mack. Ray Lyle was also a visitor at the meeting.

The Gander Memorial Project is nearing completion. All bowls are to be completed by the December 2nd club meeting. A quick count indicates we have completed approximately 150 of the 248 bowls needed. In addition to the bowls, some members are working on pens made from the Gander Memorial wood. Ben Ferguson needs pictures of the pens to document to Woodcraft Supply how the pen kits they provided were used. Please get those pictures to Ben.

President Steve reminded members of the TAW Symposium to be held in January in Franklin TN. Steve has attended for many years and those who have also attended agree it is a world class event. Our club will be giving away a registration for this event at our December club meeting. To be eligible to win members must have paid their 2020 club dues of \$20.00.

President Steve reminded members of what a good deal membership in AAW is at only \$60.00 per year. AAW members receive access to a huge library of articles on various facets of woodturning. In addition, they are covered by the AAW insurance policy which allows them to turn at public events our club participates in.

Jon Holloway reported the Fraternal Order of Police is once again looking at selling the building where we hold our meetings. Our members are asked to be on the lookout for a place for us to hold our meetings if we are no longer able to use the FOP Lodge building.

Vice President John Duzan announced he will no longer be able to serve as vice president after December due to other commitments. We will need to elect a new vice president.

Treasurer Bob Forsythe reported that we have \$1,575.26 in our account which does not include dues collected at the meeting tonight. Our semiannual payment of rent for the FOP Lodge is due in December and we will need to pay for the TAW symposium registration to be given away.
